Zappiti Pro ACE 4K HDR

World Class Quality Media Player

➔ **ISF Certified player**
➔ **Power Supply upgrades**
➔ **Main Board and Zero Signal board Modifications**
➔ **Femto Clock**
➔ **New Power Supply Filtering**
➔ **EMI/RFI Conditioning**

The world's best 4k Media Player

The Pro ACE 4K HDR Cinema Edition player raises the bar for video and audio playback, taking picture and sound quality to exciting new heights. The video playback has improved picture depth, deeper Black levels, greater contrast, increased dynamic range, more natural tones and colors making movie watching an immersive experience. The sound quality is equally thrilling, reproducing a captivating sound both from the HDMI audio and digital audio outputs. Spoken voice is clearer and more discernible, with film scores having an increased sense of acoustic space, greater dynamics, improved depth, and a more natural tonality.

The Zappiti Pro ACE 4K HDR integrates a complete Media Center System into a single component. Quiet operation, elegant design, simple plug-and-play installation and amazing audio and video performances make it perfect for high-end home theater systems.

Organize your movies and TV shows with the press of a button. Sort by title, actor, artist, director, genre, year of release, or run time. The Zappiti Pro ACE 4K HDR automatically organizes your movie collection using information from various databases so you can rediscover favorites with your friends and family.

The Zappiti Pro ACE 4K HDR stores up to 400 movies in 4K quality, or 800 movies in Blu-ray quality (and even more in MKV quality) on its hard drives (not included) or through your local network (NAS). Always prefer the Lan connection over the Wi-Fi for best results.

The Zappiti Pro 4K HDR supports the majority of digital audio and video formats, including the most modern HEVC video codec with one billion colors (10-Bit color encoding), all modern 3D video standards with 3D subtitles, and features heavy and solid chassis, dual HDMI output, 4K 60p, HDR, DTS:X, extremely low noise power supply, zero signal output and headphone output 6.35 mm for the best possible home theater experience. The Zappiti Pro ACE 4K HDR received the ISF Certification (Imaging Science Foundation).

Zappiti Pro ACE 4K HDR
Specifications

Dimensions
- 17 x 13 x 3.4 inches / 430 x 330 x 85 mm

Carton Dimensions
- 20.7 x 15 x 7.87 inches / 525 x 380 x 200 mm

Weight
- NET weight: 7.5 Kg / 16.5 lbs
- NET weight with giftbox: 8.5 Kg / 17.6 lbs

Country of Origin
- Software development and design: France
- Parts and mounting: China

Limited Warranty
- 2 years

Certification
- RoHS compliant, CE, FCC

Operating Temperature
- 10~30°C

Operating Humidity
- 30%~70%

Power
- 100-240 V, 50-60 Hz universal input
- Overall Power <5W (Without HDD) / Standby <0.02W

Rack Mount Kit
- Ears (in option)

Storage
Option Up to 32 TB (2 x 16 TB)
Not included

Video Outputs
- HDMI 2.0a DeepColor
- Composite (RCA connector)

Audio Outputs
- HDMI 1.4
- Digital coaxial (RCA connector)
- Digital optical (TosLink connector)
- Analog stereo (RCA connector)
- Headphones (6.35 mm Jack connector)

Additional Connectors
- USB x5
- Ethernet Gigabit
- Wi-Fi antennas (removable)
- IR Extender
- Zero Signal

Video Modes
- 4096x2160p, 3840x2160p, 1080p, 720p, PAL / NTSC
- 23.976 / 24 / 25 / 29.97 / 30 / 50 / 59.94 / 60 Hz
- HDR, SDR, HDR to SDR conversion
- 10-Bit / REC.2020
- 3D, 3D to 2D conversion

Video Formats
- ISO (DVD, BD, BD 3D, UHD BD), BDMV, MKV, MOV, MP4, M2TS, TS, FLV, AVI, VIDEO_TS

Video Codecs
- HEVC, H.265, MVC, AVC, MPEG-2/4, H.264, VP9

Audio Formats
- AC3, DTS, MP3, ALAC, APE, M4A, AIFF, WAV, FLAC, AAC, OGG (Ogg/Vorbis), RA_COOK, LPCM, MQA
